List of Figures iv
Acronyms v
Acknowledgements.....vi

1. DAMS, DEVELOPMENT AND SOCIAL INEQUALITIES.....1
1.1 Introduction.....1
1.2 Dams and development: Resource abundance and hydro dollar dreams 2
1.3 Social inequalities and patronage politics: Boon or bane to development? 7
1.3.1 Social inequality examined: Caste, ethnicity, and class in Nepal 9
1.3.2 Nepali state and development: The politics of patronage..... 11
1.4 State policies and laws on land and environment: The affirmation for development?.....16
1.5 Theoretical considerations, hypotheses and contribution of research.....19
1.6 Chapter formulation 29

2 THEORETICAL CONCEPTS, DISCOURSE AND RESEARCH METHODOLOGY.....31
2.1 Introduction.....31
2.2 The basis of social inequalities: Expanding the rationale of caste, ethnicity, class and gender for research 31
2.2.1 Caste..... 32
2.2.2 Ethnicity, ethnicisation of bureaucracy and ethnic favouritism 34
2.2.3 Class and elite domination 36
2.2.4 Gender..... 39
2.3 The politics of patrons and clients.....41
2.3.1 Types of patron-client relations in Nepali society..... 43
2.3.2 Patronage politics as political structure: A moral or rational economy?... 47
2.3.3 Local level political institutions: factions, networks and state..... 51
2.4 Conceptual framework 54
2.4.1 Applying the research concepts..... 55
2.5 Research methods and data collection process.....59

3 HYDROPOWER DEVELOPMENT IN NEPAL: MANAGING RESOURCES AND SOCIETY 74
3.1 Introduction.....74
3.2 Hydropower development in Nepal: From policy to practice 74

3.3 Abundance, scarcity and risk: The Kali Gandaki 'A' project and site.....79
3.3.1 Details of the dam intervention 80
3.3.2 Geographical conditions of the Kali Gandaki 'A' Project affected areas: Upstream, downstream and the main facilities of Mirmi and Beltari 86
3.3.3 Caste and ethnic groups in the project area 91

3.4 Access, response and outcome: Local dynamics of intervention in project area 95
3.4.1 People's full support with a skewed knowledge and information base....96
3.4.2 Negotiation and learning.....98
3.4.3 Protests and outcomes 99
3.4.4 Boom cycle 103
3.4.5 Shock, closure and resignation.....104

4 SOCIAL INEQUALITY AND PATRONAGE POLITICS: INFLUENCES AND OUTCOMES *108*

4.1 Introduction..... 108

4.2 Property rights of land and water, state laws on compensation and acquisition 108
4.2.1 Land and water rights 109
4.2.2 Legal state provisions on eminent domain compensation and acquisition 110

4.3 Land acquisition, compensation and resettlement in the Kali Gandaki 'A' Project 111

4.4 Social inequalities and outcomes..... 118
4.4.1 The influence of ethnic and caste favouritism in determining outcomes 118
4.4.2 The influence of class structures on actors strategies in determining outcomes: Development capture by elites? 126

4.5 Influence of patrons on outcomes..... 134
4.5.1 Relations with the project officials: A new kind of patronage? 142
4.5.2 Influence of clan and family members 147

4.6 Conclusion 150

5 UNINTENDED CONSEQUENCES OF DAM INTERVENTION: RESHAPING SOCIAL INEQUALITIES AND PATRONAGE POLITICS..... *153*

5.1 Introduction..... 153

5.2 Reconfiguration of caste and ethnic relations in the project area 153

5.3 Changes in class structures and relations..... 156

5.4 Changes in patronage structures and relations..... 159
5.4.1 Leadership, collectiveness and rise of individuality 162
5.4.2 Land, labour and changes in caste patronage amongst the Bahun, Magar and occupational groups.....166

5.5 Beyond the boundaries of dam construction: Indigenous groups, downstream and upstream social and environmental impacts 174
5.5.1 Botes in the Andhi Muhan dam site area: Intended vs. unintended consequences 174
5.5.2 Downstream of the dam: Botes, environmental and social impacts 176
5.5.3 Botes upstream of the dam 183
5.6 Gendered gaps and impacts 184
5.6.1 Gendered differentiation and roles: Institutional and social biases 184
5.6.2 The effects of land loss on men and women 185
5.6.3 Effects of project employment 188
5.6.4 Changing gender responses in the context of class, caste and ethnic structures 190
5.6.5 Unintended consequences: Excluding social boundaries and common experiences 194
5.7 Conclusion 199

6 MANAGING RESOURCES AND SOCIETY: INTEGRATING SOCIAL AND POLITICAL CHANGE *202*
6.1 Introduction 202
6.2 Exclusion and Inclusion: The inherent processes of social change 202
6.3 Policy lessons for effective dam intervention 210
6.4 Scope for future research 224
6.5 Conclusion 227
